

(c) selecting a compound which stimulates or inhibits the property change in comparison with the property change in the absence of the test sample.--

REMARKS

Claims 1-12 are pending in the application. The amendments to the claims are made at the outset to facilitate examination of the application and to place the claims in proper U.S. format.

No new matter has been added. Entry is requested.

Respectfully submitted,

Sarah A. Kagan
Reg. No. 32,141
